Parent Education Night

The Common Core State Standards
& the Smarter Balanced Assessment Consortium System

Presented by
Santa Clara Unified School District

The Common Core State Standards initiative is the biggest topic in education today. SCUSD parents are invited to attend a hands-on event to learn details and ask questions, like:

- What are the standards and how will they prepare our children for college and career?
- How is SCUSD implementing the new standards?
- What is the Smarter Balance Assessment Consortium (SBAC) System?
- Are You Smarter Than a 5th Grader? Give the Smarter Balanced online assessment system a try in one of our computer labs!

Thursday, January 30, 2014
6:30–8:00pm
Santa Clara High School Library
3000 Benton Street, Santa Clara

Reserve your seat TODAY!
Spots are limited to library computer availability.

Contact: SCUSD Assessment Office
(408) 423-2229 or wconrad@scusd.net

*Special thanks goes out to the Santa Clara Unified Council of PTAs for their involvement in this event.*
